2003 World Games of Special Olympics

John Martin

The World Summer Games of Special Olympics opened in Croke Park in Dublin, Ireland on Saturday June 21,2003. The Summer Games in Dublin marked the first time World Summer Games were held outside the United States. The people of Ireland embraced the World Games and the spirit of Special Olympics. The opening ceremonies were attended by 70,000 spectators and 7,000 Special Olympic Athletes, representing 138 countries. Olympic organizers will be hard pressed to compete with the opening ceremonies for Special Olympics.

The stage was set for the largest sporting event to be held in Europe in 2003. Helping to open the games were the likes of Nelson Mandella, Mohammed Ali, Arnold Swartzenager, Eunice Kennedy Shriver (founder of Special Olympics and sister to JFK), Bono, U2, The Coors, the River Dance troupe and many more. Fireworks, music, dance and the spirit of pure sport permeated the stadium.

I was honored and humbled to play a small part in this celebration held to honor the world's Special Olympic Athletes. On June 4th, I, along with nearly 100 other law enforcement officers and 10 Special Olympic Athletes representing 28 countries, witnessed the lighting of the Flame of Hope at a ceremony held in Olympic tradition on a hill overlooking the Acropolis in Athens, Greece. As Guardians of the Flame, we 100 officers and Special Olympic Athletes, carried the Flame of Hope across 15 European countries in a Law Enforcement Torch Run to this Opening Ceremony. My route took the Flame thru Greece, Turkey, Hungary, Austria, the Czech Republic, Belgium,

England, Scotland and in to Ireland. The Torch Run ended in Dublin on June 21st and our duty was done.

Aside from being charged with The Guardians of the Flame our purpose was to act as ambassadors for Special Olympics and create excitement for the cause. I can proudly report, our mission was accomplished!

The Final Leg Law Enforcement Torch Run visited 130 towns and cities in Ireland. Excitement was frenzied. Each of the 130 towns acted as host cities for the Special Olympic Athletes in the week before the games. Each town took in a specific team. In the months leading up to the games, school children learned about people with special needs, their country, their language, and their customs. Each town eagerly awaited the arrival of "their" visitors and the Torch Run acted as a teaser to boost that anticipation. No boost was needed as the people of Ireland eagerly awaited the visitors as their very own.

The Torch Run members were treated like royalty. We met kings and queens, presidents and princesses, but most importantly we met Special Olympic Athletes from all over the world who were eager to compete and show off their abilities and break down the label of disabilities.

This was a life enhancing experience for me and for all the other Torch Run team members. Big tough cops openly cried tears of joy every day. I am proud and frankly, humbled to have been a part of this most memorable event.

Thank you for letting me share this with you. If any of my CVR buddies are interested in becoming involved with Special Olympics in any way just let me know. It is truly good for the heart.

The Next CVR Meeting and Pot-luck dinner will be August 4th at 6:30 pm

8TH ANNUAL MAD DASH ~ September 14, 2003 ~ 10 a.m.

The Mad River Path Association will be holding the 8th annual Mad Dash community fitness event on Sunday morning, September 14, 2003. The Mad Dash will be held on the Mad River Greenway, Meadow Road, Waitsfield, Vermont. The event includes a 4-mile or 8-mile foot race or a 4-mile fitness walk starting at 10:00 a.m. followed by refreshments, awards for top finishers and a bib number prize drawing for all entrants. At 12:30 pm there will be the annual Mad Dash Kids Fun Run. Kids in three age categories will run a series of loops around the tent and nearby pond. Kids register is on race day only.

Participants are encouraged to register in advance for the Mad Dash foot races and fitness walk to save \$5.00. A pre-registration and race packet pick up table will be at the Waitsfield Farmer's Market on Saturday, September 13 from 9:30 am to 1:30 pm. Race day registration is from 8:00 to 9:30 am at the Mad River Greenway on Meadow Road.

The Mad Dash is most noted for its highly scenic riverside course with views of Vermont's Mad River Valley and Green Mountains. Most of the race is on the Mad River Greenway a natural cross-country path and country a farm road complete with a covered bridge ca 1840. The course is flat, quiet and a great place for a late summer morning run.

Following the race will be a refreshment buffet consisting of locally grown, wholesome, natural and organic foods. The event offers free race-time childcare for parents who wish to participate in the race together. Area businesses donate prizes worth over \$3000 in value for the bib number drawing. Everyone who enters the Mad Dash can win great gear, gift certificates, arts and crafts, lift tickets and more. The event is professionally timed by Granite State Race Services. Commemorative medals are awarded to top finishers in 18 categories. And finally, the first 250 participants receive a commemorative 50/50 blend long-sleeve T-shirt.

The Mad Dash is a fundraising event for the Mad River Path Association, a 501(c)(3) non-profit charitable organization whose mission is to establish the Mad River Greenway trail system throughout the Mad River Valley. Their members are advocates of improved bicycle and pedestrian access, land conservation and environmental education. Through landowner agreements, their growing trail network is available for use by the community at large. They work to improve the harmony among trail users and land managers. Through cooperative working relationships with other community organizations the MRPA strives to enhance the quality of life and the health of the citizens in the Mad River Valley through public pathways.

Volunteers are needed for the Mad Dash. The organization will be holding a special volunteer meeting at 6:00 pm on Thursday, September 11 at the General Wait House in Waitsfield.

35th Annual Archie Post Race

On September 6, 2003 Vermont's oldest footrace is turning 35! The race is named after UVM Hall-of-Famer and track/cross country coach (1929-69), Archie Post. The Green Mountain Athletic Association (GMAA) is celebrating this Vermont running milestone with a running reunion. We are hoping to have UVM running alumni as well as past racers back for this year's race - to race, run, or spectate. The course is point-to-point and is all on bikepath. The is an information page on the gmaa web page -> www.gmaa.net/postinfo.html. There are links to a registration form as well as complete race history and course photo tour.
