# CVR WOMEN SMASH RECORD AT WESTPORT!

On Saturday morning, July 25, thirty intrepid CVR members (plus support crew) arrived in Westport, New York, looking fit and fresh. Sunday afternoon we dragged our weary bones back to Vermont looking several years older. The cause of all this debilitation was a little

thing called a 24 hour relay.

Briefly, here's how it works: Start with a team of ten people, determine the order in which they are going to run, take turns running one mile at a time, pass off the baton to whomever is next in order, runner #10 passes to #1 and the rotation begins again, and again, and (through a night that is about a week long) again. If someone can't take his/ her turn, that runner is out to stay and the team continues with fewer runners. For some teams, the goal is to get as many miles as possible in 24 hours; for others, the goal is to survive.

CVR had three teams this year. Darragh's Raiders was an all female team (the only one there this year). They were (in order of rotation) Lea Hayer, Mary Labate, Debbie Martin, Janice Rucker, Elaine Hoiska, Cindy Martin, Elizabeth Meiklejohn, Sue Christiansen, Darragh Ellerson and Ellen Anders. There is no way I can describe this team adequately to you who weren't there. In a word, they were awesome. The record for an all female team at this event in its previous six years was close to 180 miles. Our Raiders ran 206 miles, 3814 feet! That figures out to 21 miles for most of the runners and an average pace of 6:58 per mile! I won't start talking about individuals or this article will be too long. Just ask people who were there all about it.

The CVR Rabbits was our fast

(see page 2)

team. They started fast and stayed fast the whole way and remained in tight contention for 1st place (of 10 teams) throughout the 24 hours. They ran 251 miles to the winning team's 252. So most runners did 25 miles; one did 26. This team consisted of Dick Millar, Bill Powers, Francis Burdett, Jon Rouelle, Bob Murphy, Paul Hill, Fred Ross, Dave Kerin, Wade Walker and Newton Baker. This was a very impressive team. The average pace was 5:44!

Our third team was Cap'n Bob's CVR Turtles. It was a pretty quick bunch of turtles! They did 22 or 23 miles each for a total of nearly 217 miles and an average pace of 6:39 per mile. The Turtles consisted of Roger Whitcomb, Joe McEntyre, Trent Smith, Norm Robinson, Jeff Shutak, Byron Hill, Bob Oatley, Dave Dow, Mike Gardner and Albert Burdett.

We had a terrific, dedicated support crew of Joyce Martin, Bob Oatley II, Wiz Dow, Lynn Anders, and Steve Martin. They kept times, cheered, and did various supportive jobs. Lauren Isaak set up a massage table and worked on dying legs. "From Hell to Heaven in a few minutes." I think Lauren acquired some new clients.

The most frequently heard comment at the relay was "this is insanity!" Actually, last year was insanity (blistering hot during the day, rain all night) but this year was ... well, memorable! ... interesting ... okay, maybe a little bit insane. But the weather was great - mostly - it was hot at the beginning and end but nice for most of it. We even got a great display of the Northern Lights (I can't spell Aurora Borealis).

How many of us would do it all again? Experience tells me that at least half will be ready to do it again next year even though most wouldn't have said that on Sunday afternoon when our faces were falling into our potato salad at the post relay picnic.

# MEANWHILE, BACK IN VERMONT...

With a fourth of the club gone to the Westport Relay, and with the threat of being drafted for that event past, a few of those left behind came out from under the rocks on July 26th and headed for Stowe and Moriarty's Eight Mile Road Race.

The day was a pleasant one for racing, with temperatures in the high 60's and moderate humidity, but a strong wind blew throughout the event, and exept for the last mile seemed to be in my face with every change in direction.

The race began at 9:05am at Moriarty's Sport Shop. After 2½ miles of basically flat or downhill running there was a small hill, followed by more gradual downhills through mile 7. There was lots of shade, many water stops and a good headwind throughout, so staying cool was no problem!

At mile 7, there was a minor hill and another water stop, and then a 90 degree change in direction got me headed back into Stowe. The final mile was gradually uphill all the way, with pylons in the road keeping the runners separate from vehicular traffic.

Overall, the course seems downhill, and the last mile seemed hard only after having run flats and downhills for the first seven. For Vermont this is a flat, easy course.

After the race free soda and ice cream were available at the Rusty Nail. Beer also flowed freely (Matt's Brewing Co. co-sponsored and they half-heartedly accepted money).

Three club members ran especially well. Mark Chaplin finished 8th overall (4th, M30-39) in 42:46. Chris Martin was 56th (3rd, M40-49) with a 49:42 and Bud Aronson finished 115th (3rd, M50-59) with a 54:43 time. Other club members who finished were as follows:

50th Paschal DeBlasio (19th, M30-39), 49:19 175th Rob Rothman (55th, M18-29), 1:00:45 204th Doris Aronson (4th, W40-49), 1:04:56 224th Heidi Smith (10th, W30-39), 1:08:51

Andy Palmer won the men's division in 39:37 and Judi St. Hilaire won the women's division in 45:37. 251 runners finished.

The race's only problem was a two hour wait for results; however, everyone who waited did receive complete printed results (overall and age categories).

If this year's experience is any indicator, this race promises to be a major running event in this area. I would rate both race organization and consideration for runners' comfort very high. I recommend it!

Paschal DeBlasio

NOTICE OF PROPOSED CHANGE TO CVR CONSTITUTION AND BY-LAWS

The following proposed changes will be voted on at the 26 August membership meeting (presuming we have a quorum present). Reason for the change is to provide for four elected officers. Presently, only the President and Treasurer are elected; Vice President and Secretary are appointed by the President. Your current President feels that the number of appointed positions provided for by the present by-laws is excessive (all committee chairpersons are also appointed) and that the membership should have a direct say in who their officers will be.

Proposed changes are as follows (new language is underlined \_\_\_\_\_, language to be deleted is crossed out with slash marks ///):

# ARTICLE SEVEN

Section 1 The management of this club shall be the President, Vice President, Secretary and Treasurer.
