

## CENTRAL VERMONT RUNNERS

Spring-Summer 2010 Volume 31, Issue 1

### Andrea's Notes

Hi all,

Anyone who is interested in creating a CVR Facebook page contact Norm Robinson. It would be great to organize runs together through the page!

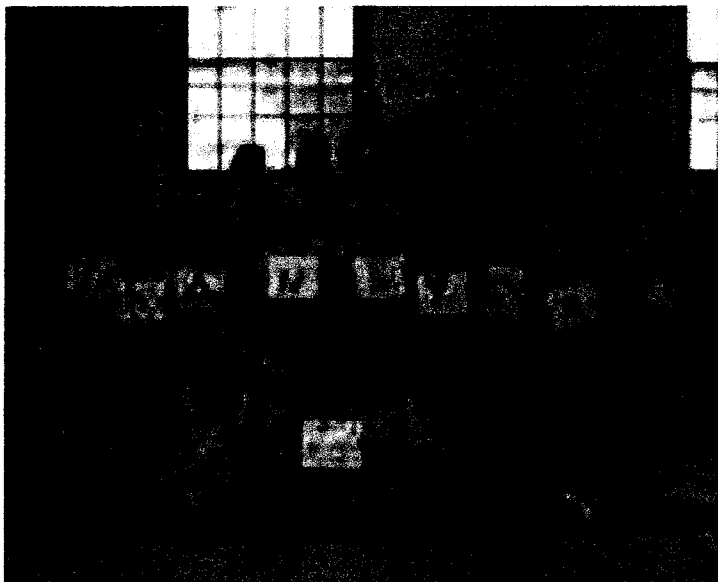

John Hackeny is interested in finding more people who are willing to become familiar with the RunScore Timing system. Please contact him if you are interested.

### New News:

Donna and Eric have been busy with the Mutt Strutt and the Adamant Run and Bike Event. The Adamant Race went off despite the rain, and was successful!!! I was at the last water station. Everyone ran by with muddy legs and big big smiles. Many even stopped to chat! I saw a few bikers and they too seemed pleased.

An new/old race is happening on July 24th during the Barre Heritage Festival. A 5k trail race will be held at Millstone Touring Center. Check the web site and summer post card for more information.

Andrea

Girls on the Run of Waterbury is sending their huge thanks for your support this season. Your contribution helped us to provide the program for a full roster of young runners. We have worked hard and had oddles of fun preparing for the 5k run on Sunday in Essex. Hope to see you there.

CVR MEETING NOTES  
MARCH 21, 2010 MEETING

13 Members in attendance. Meeting held at Priscilla Carr's home.

Last months meeting notes were reviewed and accepted.

Nominations for all the officers in the club were held. Every current position will remain the same, with the exception of the newsletter coordinator, and publicity coordinator. Norm will contact a member who has expressed interest in the past. Publicity coordinator will be held by Greg Gerdel. Everyone at the meeting offered to help Greg, and recommend he let any of us know if he needs assistance.

Discussed Onion River and the sports series. Andrea went over the amount of money ORS gives each race for awards. Asked the members to decide if we are still o.k. with this arrangement. Everyone agreed to the amounts Andrea listed and agreed we should leave as is. Andrea asked everyone who is involved in races to make sure they keep track of those gift certificates that are used versus those that are not, and we discussed making sure we keep those that are not used, and perhaps pass them on to another race. There was a suggestion to use the left over gift certs for some of our other races. Everyone agreed to give any left over gift certs to Andrea, and Andrea will decide how to disperse them. If you are a race director and are interested in more than you currently use, or want some for your race, contact Andrea.

Treasurers Report - Priscilla gave out the current report. \$12,600 +/- is current balance. Total Assets 23,000 +/- . We are approaching end of fiscal year. Discussed some of the numbers on the report. Priscilla answered questions.

Donations – Andrea receives a lot of requests. John Martin has requested money for special Olympics and 6 girls on the run organizations have requested donations. In addition Norm Robinson would like the club to consider donating more to cross country programs at middle school/high schools and coaches, to use where they see the need, maybe shoes, or a tent for events.

Schools to consider:

Montpelier, U32, Harwood, Northfield, Spaulding, Randolph, Hazen, Lamoille, Stowe, Peoples. Norm has offered to coordinate the effort through letters to the schools, and working with the coaches for donations. Motion made and accepted to offer scholarships to 10 high schools up to \$300.00 each. The decision of who to donate to and all the work will be done by the Middle School/High School Scholarship Coordinator, Norm Robinson.

Girls on the Run – Motion made and accepted that any GOR organization that requests donations, we will make a donation.

Special Olympics – Motion made and accepted that the same donation to SO will be given this year as in the past.

I Am Athlete – an organization [[www.imathlete.com](http://www.imathlete.com)] that does on line registration. They have contacted Donna about the club using them. Discussed the topic for some time and everyone expressed opinions on using them, and having online registration for some of our races. Discussed using them for one race as a trial. If it works well and race director finds it helpful we can consider it for other races.

**Race Schedule –**

Mutt Strutt - All set. Donna is race director – April 25<sup>th</sup>. Donna is considering retiring as race director after this year. Anyone interested in being the director, contact Andrea and Donna.

Adamant Run and Bike Event – Eric Rhyea is race director. All set. Had some issues with insurance but those will be taken care of. Need volunteers.

Barre Town Spring Run – May 22<sup>nd</sup>.

Kids Track Meet – June 5

Capital City Stampede – June 12

Paul Mailman – June 27

Bear Swamp – July 10

Barre Heritage – July 31st

Berlin Pond – August 5<sup>th</sup>. Need race director, anyone interested, please contact Andrea.

Chase Race – Aug 26<sup>th</sup>

Northfield – September 4<sup>th</sup>. Tim Noonan would like to have a committee to work on this race. Tim needs more help, and needs more coordination with the timing. Need a technical committee to handle timing and finish line. CVR needs at least 5 people on this committee to find volunteers, train etc. Tim raised the issue of need for greater organization of the timing. It was suggested that a committee form to better coordinate finish timing. The following volunteered for this committee: Tim Noonan, Darragh Ellerson, John Hackney, Donna Smyers, Andy Shuford, Andrea McLaughlin, (in addition to Rowly Brucken).

Sodom Pond- no issues

Leaf Peepers- no issues

Falling Leaves- Tim Noonan proposed making the races even more low-key: eliminating entry fees (instead there would be a suggested donation to Food Bank), and eliminating official times.

First Night- at present a race director is still needed. It was proposed that if there is no race director by our August meeting that we withdraw the race from the calendar and notify the City of Montpelier that we are unable to manage the race.

Onion River Race Series will include the following: First Night, Capitol City 5K, Paul Mailman, Bear Swamp, Berlin Pond, Northfield 5K, Barre Heritage, Leaf Peepers, Montpelier Mile, Green Mountain Marathon (GMAA), Common to Common (GMAA).

T-shirts- Andrea has investigated T-shirt options, however concerns were raised about the sizing/reliability of the company. It was decided to continue to investigate vendors further before making a decision.

Facebook page- Norm Robinson proposed that we create a CVR Facebook page to facilitate easier communication. There was support for this and it was suggested that Loralyn Leblanc would do a very good job of coordinating this. Andrea will approach her about it. Norm Robinson is willing to take it on if she is not available.

Keys to the equipment storage- There are 2 keys to the equipment storage area. Andrea would like better access so she can keep better track of the equipment. It was decided that she will share the key that is currently managed by Roger Cranse.

Current equipment inventory: 2 time machines, tent side walls (we need a new tent), USB connectors, Jones Counters (still in Bob Murphy's possession), cones (we own 50; several are unaccounted for, some are at ORS), mile marker signs, 4 hand held timers, several tables (currently being used by National Life for Christmas donations), banner, 2 computers (in possession of Dave Kissner and John Hackney), 2

water jugs, 2 race in progress signs (formerly there were more), timer paper, 6 fluorescent vests, measuring wheel.

Equipment needs: Mile marker signs need to be replaced, it was proposed to use an A-frame style sign; it was agreed to order these. We need additional Race in Progress signs and it was decided to order those. It was also decided to order another tent (up to \$500), and another measuring wheel (Tim Noonan will look for this, up to \$150 is authorized). Norm suggested we purchase mile markers for the Fun Runs and that was supported.

There was discussion of the possibility of renting a van for any group of CVR runners wishing to travel to a regional race together.

Norm Robinson announced that the Corporate Cup race is being rerouted due to the closure of the Taylor St Bridge; they are looking for more volunteers to help with the new course.

John Hackney requested a message be sent out to recruit more people familiar with the RunScore Timing system.

Next meeting dates: June 3 at the home of Michael Chernick; August 12 at the home of Andrea McLaughlin; November 18 (location TBD).

#### CENTRAL VERMONT RUNNERS MEETING JUNE 10<sup>TH</sup>, 2010

#### MINUTES

8 Members were in attendance. Meeting called to order at 6:25. Approved the meeting minutes from the last meeting.

Treasurers Report – The club was paid for the assistance we provided in the Northfield race last year. Other than that, no new news from the treasurer.

Officers: Bob Howe has agreed to be newsletter editor. Nancy is going to write one final newsletter but after that Bob will take over. If anyone has anything they would like to see printed in the newsletter contact Bob.

Race Directors: We have been able to find a race director for the three races in which we have been looking. Barre Heritage will be Lori Lacroix, 1<sup>st</sup> Night will be Ann Bushey (she is looking for a co-director) and Berlin Pond will be Jeff Prescott.

Race Director Manual – Andrea has agreed to help Norm, with the writing and updating the Race Director Manual. She will work on it this summer and maybe schedule a time for a group to review it and make any edits.

Bibs – Discussed the need for the club to have bib numbers for our races. In the past we have gotten them from Onion River, if the race is part of the onion river series, or we have used left over bibs from Leaf Peepers or other races. Motion was accepted for Andrea to order more bibs for the club and keep them in

the storage shed with the other equipment. If you are a race director, you can use these if you are unable to get some from Onion River .

Reminder that Norm Robinson has set up a Facebook page for the club. Encourage everyone to go check it out.

Race Timing Training / Technology Training – Tim Noonan is inviting anyone interested in learning the timing system and other technology to his home on August 19<sup>th</sup> at 6:00. We need more people who are experienced with the technology and perhaps could help to improve the technology the club offers with regard to race timing.

Publicity – We discussed ideas on how to get more publicity for the club. Perhaps putting out more flyers at races, posting articles in local press. Motion accepted to allow Greg to research purchasing a sandwich board type equipment that can hold flyers. This would be kept in the shed with the other race equipment and each race director would bring it to their race to help advertise other races.

Race Updates: Barre Heritage – July 24<sup>th</sup> – Lori Lacroix is the new race director and has made some significant changes to this race. It is being held at Millstone in Barre, and proceeds benefit Spalding High School Track Team. Planning is going well, Lori could use volunteers. Motion accepted to allow Lori to rent a port-a potty and the club will cover the expense.

Berlin Pond – Planning going well, need volunteers. The club needs to make sure that all volunteers out on the roads during the race wear safety vests. Race Director (s) are considering a king of the hill award.

Chase Race – Planning going well

Northfield – Planning going well, but the club continues to discuss the timing service we provide and the challenge of timing this race.

Leaf Peepers – Planning going well. Roger wanted to report that the shirt color will be pistachio green, the race is filling up fast and unlike last year the 5k will be capped and will close once the cap is met. Roger is looking for a volunteer to pick up the cones after the race.

Falling Leaves – Tim announced the format is going to change back to the way it used to be with the focus on raising money for Vermont Food Shelf.

Meeting adjourned at 7:50pm. Next meeting will be held at Andreas House on August 12<sup>th</sup>, the meeting following will be November 18<sup>th</sup> at Sandy Colvins house.

## 2010 CVR AND AREA RACE SCHEDULE & EVENTS \*

Contact person: **Andrea McLaughlin, President, [ajvtskier@msn.com](mailto:ajvtskier@msn.com)** \*indicates race is part of the Central Vermont Runners/Onion River Sports race series.

\* CVR RACES ARE NOTED WITH AN ASTERISK

**ONGOING - FUN RUNS, May - October.** They are held every Tuesday at 5:30 p.m., rain or shine and are open to all runners and walkers. The runs begin near the Montpelier High School track on the bike path and run out River Road and 3 Mile Bridge Road. We have measured out-and-back distances of 1, 2, 4, and 6 miles and you can run any distance at any pace you desire. Children are encouraged to do the 1-mile run, as long as they are accompanied by a responsible adult. The best place to park is behind the Department of Employment and Training building on Green Mountain Drive, down by the bike path and where the official sign is on display on the fence. If you are unfamiliar with that location you just turn either just prior or immediately after the high school tennis courts, depending on which direction you are coming from. The last one for 201 will be October 26<sup>th</sup>. Please see our web site for additional information and directions.

Dates and times listed below are tentative and subject to change. Please contact race directors for up-to-date info. All races are in Vermont unless otherwise noted. Please check with contacts to confirm race times and other details. (For another schedule of great races in Northwestern Vermont, please see the GMAA web site [www.gmaa.net](http://www.gmaa.net) )

## KID'S TRACK MEET

The Kids Track Meet sponsored by CVR has had more than its share of weather difficulties during its 15 years of existence. This year, the weather also loomed as an issue as the forecast for Saturday, June 5, called for periods of rain, chance of severe thunderstorm and even (gulp) a statewide tornado watch. In addition, we were informed the day before the meet that we could not use the track because the time of a scheduled high school playoff lacrosse game had been pushed back an hour by the Vermont Principals Association due to SAT's being given that day.

Accordingly, we spent the morning setting up a makeshift track, softball throwing area and long jump venue on the athletic fields at Montpelier High School and hoped for the best. Well, we lucked out. It did not rain in Montpelier on Saturday after early morning. Also, we heard many positive comments about doing the "track" meet on the fields rather than the track. Parents and kids all got into the spirit of this low-key event which emphasizes participation over competition. We were pleased with the turnout given the threatened weather. We had 71 kids from pre-school through 6<sup>th</sup> grade, just slightly below the turnout of the last few years.

All in all, a positive experience. Many thanks to the following volunteers who seemed to enjoy the meet as much as the kids and parents: Ricarda Erickson, Betty Rose, Sandy Colvin, Dot Helling, Bob Murphy, Maureen Carr, Colleen Noonan, Ann and Dick Bushey, Fred Stapenhorst, Chris Andresen, John and Sue Hackney, and Greg Gerdel. Tim Noonan and Norm Robinson, Meet Coordinators

## CVR Honors Nancy Rice with the '09 Spirit of the Club Award

On Jan. 21, 2010 CVR awarded **Nancy Rice** the 2009 annual Spirit of the Club Award. (Past winners include Priscilla Carr, Dave Kissner, Norm Robinson, Tim Noonan, Darragh Ellerson, and Donna Smyers.) Below, see remarks from club president **Andrea McLaughlin** when she presented the award to Nancy.

"At the annual volunteer dinner, **Nancy Rice** was awarded the 2009 CVR Spirit of the Club Award. For the last 6 years, CVR has presented the award to a volunteer who over the years, has been especially generous and effective in their volunteer efforts for the club. Nancy stepped up to produce the CVR newsletter in 2005. She increased the newsletter frequency from 4 to 5 times per year and has produced over 20 newsletters in her tenure. Nancy also took on co-directing the Berlin Pond race the last 2 years and has been a frequent volunteer at other races. Nancy has recently retired from work and has announced that she will need to give up the newsletter as she moves on and possibly out of the area. CVR thanks her for her service as she will be difficult to replace."

**14TH ANNUAL CVR MUTT STRUTT**  
 To Benefit Central Vermont Humane Society  
 Waterbury, VT April 25, 2010

A beautiful sunny spring day greeted The 14th Annual CVR Mutt Strutt on April 25th 2010, attracting a near record field of 51 human finishers from 57 paid entrants. Some years, people run with 2 dogs; this year, to the contrary, 11 people either shared a dog or ran without one resulting in 40 canine finishers. We also had an unusually large number of young people, with 7 participants in the 1-19 categories. The race was won by Gary Kessler and Simon in 21:04 and Jesse Phillips and Rodeo in 25:58.

Many thanks to our sponsors: KC's Bagel Café, Onion River Animal Hospital, Onion River Sports, Guy's Farm and Yard and Julio's Cantina who provided great prizes and refreshments for both canines and humans. Thanks also to volunteers: Jeff Prescott, Andy Shuford, Michael Chernick, Rick Molz, Jill Aspinnall, Jen Miller-Arsenault, Laura Alpert, and Eric Ryea. With entry fees and extra donations we raised \$338 for the Central Vermont Humane Society.

Donna Smyers and Jamie Shanley, Race Directors
