CVR Meeting
Monday,
Nov. 5th
Info on page 2

Notes from the President... Greetings, As I write this, it is still fall. The red leaves are gone but the some of the gold ones are hanging on for dear life. Although I am enjoying the fall, I am thinking about spring. That may seem like I am skipping ahead. But I'm not. Bear with me here. And... keep reading because I am going to issue you a challenge. (Yes, you.)

Last spring I volunteered at the turn-around point for the Adamant 20-miler. It was such a beautiful morning and the course was so scenic and everyone looked like they were having such a good time and the post-race soup was so good... (continued on page 3)

From Elizabeth C. Wuorinen

I just wanted to send you a picture of the Northfield Cross Country team and their shirts that they earned during their 10-mile run challenge/team building day. This is what the grant money from CV Runners was able to give these kids for competing and training in the sport of running. Thank you again for granting us the money to help give these kids something for their efforts and excitement.

LizPS – The picture was after their 10-mile run (2 laps out at Berlin Pond) – and they are still smiling!

Minutes of the August 13, 2012 CVR Meeting

13 Members in attendance

Meeting called to order at 6:45. Quorum declared

Motion to approve minutes from last month, motion, second, approved.

Treasurers Report

- Balance \$43,076 +/- . Most of this is the applications and fees for leaf peepers, and most will go towards leaf peepers expenses over next few months.
- Paid for renewal for the storage unit for another year. Bought 1000 race bibs, new Jones timer. Submitted tax form for the club.

Purchasing

- May need some new water jugs. Roger agreed to order two more for the club.
- Also out of lime. Jeff will get more and put in the storage shed.

Membership

Newly formed membership committee hasn't met yet, but will meet in the fall to discuss ideas for recruiting new members. Roger discussed idea about reaching out to those who have done our races and shared the idea of using the e-mail list obtained through registration. He feels it is a pretty easy task to recruit via e-mail to runners who have done our races, such as leaf peepers. Membership Committee will meet at a later date to discuss further.

Club Shirts

Inventory list was handed out. Jeff will order more shirts soon, would like to have a good idea of who wants shirts so we don't order too many and have large supply on hand, would like to make it more of an on demand ordering process in the future.

Race Updates

7 races since our last meeting. Kids track meet went well. All other races went well. Discussed races and weather.

Upcoming races –

Sodom Pond is Thursday September 20th. This is a date change from what was originally announced.

NSB 5k. John and Donna will do results. Need a couple more volunteers for help with the finish line. Contact Donna or John if interested in volunteering.

Leaf Peepers – Have 900 registered for the ½ marathon. Around 350 registered for the 5k – still room for the 5k. The location of the race has changed. The course has changed. Discussed the new course and parking. Roger could use more volunteers, if interested call Roger.

First Night. Still going to hold the race, regardless of reports that Montpelier is going to host less of a celebration than in the past. The race committee hasn't met but all indications are the race is on for first night.

Barre Thanksgiving – CVR has been approached by the Race Director of an existing Thanksgiving Race held in Barre, and asked if we as a club want to partner with them in hosting a Thanksgiving Race. Discussed partnering and what it would involve i.e. resources, equipment, training, etc. Suggestion is for the existing Barre race committee and race director to come to some of our upcoming CVR events to learn more about using the equipment, timing and hosting a more competitive 'official' race. Jeff will reach back out to the race director to discuss further. There was no objection by those at the meeting to help them, but hesitation in hosting it, as we don't know if we have the resources, i.e. people available at Thanksgiving to do the timing etc. But agreed we could train them and help them learn and use our equipment.

New Business

No new business

Next Meeting Date

November 5, 2012. Location is Barney Hall at Sodom Pond. We will set race calendar for 2013, Race Directors: make sure you attend, if not, make sure you notify Jeff of any potential changes in races or race dates for 2013.

Mtg adjourned 7:46

CVR MEETING
Monday, November 5, 2012

The November CVR meeting will be hosted by Donna and Eric in Barney Hall of the Adamant Music School. The potluck dinner and meeting will begin at 6:00 pm.

At 6 miles from the roundabout, turn right onto Haggett Rd. Barney Hall is 1.3 miles on the right next to the church and across from the waterfall. Park in the church parking lot or in the parking lot on the left, two driveways past Barney Hall.

Questions — 223-2733 or dosmyers@gmail.com

Notes from the President (continued from page 1)... that I found myself very publicly declaring that I was going to run the race next year. (Yes, there can be a certain level of risk involved with volunteering at a CVR event.) Anyway, it is now fall and I am thinking about how to prepare for a 20-mile race in the spring.

The answer to that question is rather obvious: run a lot in the winter. And the more I think about that, the more excited I get. For me, the fundamental problem with running is what to do with all the heat I generate. Fortunately, the Vermont winter is a convenient solution to that problem! Looking at my running log for the last several years, I find that I run significantly more miles in the winter than I do in the summer. I suppose in the summer there are lots of other outdoor activities competing for my attention. And many weekends, I might opt for a short race over a long training run. But in the winter, I can run in (just about) any weather conditions. And in the early darkness, running may be the only outdoor activity available. And who wants to go to the gym? Not me.

I am so jazzed up about the Adamant 20-miler that I want to invite you to do it with me. If you are running VCM or another late spring marathon, you can use it as a supported long training run. If you have no marathon plans, it will be great base training for shorter events in the summer. If you are not a winter runner, having a goal may help you get out the door. (To paraphrase the philosopher Woody Allen, 80% of success in running is getting out the door.)

So...consider yourself challenged. And keep in touch and let me know how your training is going this winter.

In the meantime, back to fall. Don't forget:

- (1) our upcoming club meeting on Monday, November 5th in Adamant
- (2) the Fallen Leaves Race Series (November 3rd, 10th and 17th) in Montpelier
- (3) the First Night 5k on Monday, December 31st in Montpelier.

Your challenging President, Jeff

PODIUM FINISH at Ironman World Championships October 13th for DONNA SMYERS.

Age group phenom and CVR stalwart Donna Smyers competed in her 12th Ironman World Championships. Donna completed the 140.6 mile race in 11 hours 11 minutes capturing second place in the Women's 55-59 Age Group. Only 2 minutes out of first, Donna laments a digestive disruption/eruption and too many minutes lost in the latrine. Consistent high level performance over a long period of time (years) is remarkable.

Congrats Donna!

CASPIAN LAKE RUN A-ROUND RERUN RENAMED & RESURRECTED

The once popular race in the Northeast Kingdom is back! Beautiful Caspian Lake sits in the heart of Greensboro just up the hill from Hardwick. The lake is the only thing flat in Greensboro. The 7 mile course around the lake (30% paved) is not a PR course rather what is referred to as challenging. The plain truth is, it's hilly. Dot and I swim and bike there almost weekly spring to fall but rarely run, it's just too hilly.

We heard about this July 28th race just a few days before it happened and were intrigued by the entry fee. You don't get much for free but this race was not only free, but you got a t-shirt. Does it get any better? Well yes, not only did we have a nice race but there was some nice post race eats and really nice awards.

Dot smoked the woman's division and finished 3rd overall in a time of 46:52. I captured the geriatric division in 54:47 and despite the "official" results was 6th overall.

The Greensboro Association sponsored this years race which saw 34 "Lake Run" finishers while 47 completed the 5K race. Whether or not the 2013 pricing will be the same is unknown but put this little gem on your 2013 race calendar. Try www.greensboroassociation.org for information.... John Martin

(The "Caspian Foliage Run" around Caspian Lake was originally held in mid-September with the first race held in 1978. The race was a favorite with CVR members car-pooling to Greensboro for the scenic course and artistic T-shirt in bright autumn colors. The race shifted to June in 1985 and the 1986 race had 96 runners including Dot Helling, Tim Noonan and Bob Howe...ed.)

HITS Triathlon Series 9/23/2012 Hunter Mtn. NY 1.5KSwim/40KBike/10KRun

Dot Martin 1st Woman (oldest woman in race) 2hrs.57min.... John Martin 1st Male 60-64 (oldest man in race) 3hrs 8min

More juice for the nuiceletter... Did you ever think that maybe someday you would be the oldest person at a race? The oldest racer is supposed to be this withered up frail old dude looking like it would take a miracle for the senior to make it to the toilet much less finish the race. I'm not that withered up yet and yes, it happened to me this late September at a Hits triathlon in Hunter Mountain, NY. Yes, I was the oldest and easily won my age group of one (me) but this "life's little victory" was not hollow. My finish time was in the top 3rd of the field and smoking 2/3rds of the young dudes and dudettes put a big smile on my slightly wrinkled face.

Here's the best part: I was the oldest man in the race and my bride, the oldest girl. Being the oldest girl sounds way younger than the oldest woman. The ever youthful Dot was unable to overlook the competition's youthful inexperience and laid down the law to all the women with a convincing overall win.... We listened to a crooning Frank Sinatra all the way back to the home.... John Martin

GMAA's Common to Common 30k

This race was the 11th event in the 2012 race series. CVR was well-represented. **Megan Valentine** was 2nd female overall with the fourth fastest time in race history. **Sarah London** was 3rd female overall. **Dot Helling** was recognized as the runner with the most consistent 10k splits: 56:23, 55:54, and 56:19...breaking her own age group record in the process. **Newton Baker** set an age group record for male 70+.... USATRIATHLON NATIONAL AGE GROUP CHAMPIONSHIPS

The USA Triathlon National Age Group Championships returned to Burlington, VT on August 18th for the second and last year. Seven CVR members competed with 4 of the 7 bringing home a trophy or two. This event consists of a 1.5K swim, a 40K bike and a 10K run, starting at Waterfront Park. Athletes as young as 15 years old and as mature as 79 years young competed in their respective age groups to determine the age group national champion.

USATRIATHLON is the governing body for the sport. The championship race is held each year with a two year stay in the host city. The race in Burlington holds the distinction of being the only national championship race to have ever sold out and the race was a sell out both years. Seem like folks like coming to Vermont.

On a personal note and having participated in many triathlons across the country, the quality of the race experience in Burlington made me proud to say, "I'm a Vermonter."

So on to the results - awards are given to the top 10 finishers in each age group. The top 18 finishers qualified for the World Championships (London 2013) with spots for Team USA rolling down to 25th place. As you will see by the times, the Burlington race brings the very best Age Group athletes in the United States together for a head to head showdown.

Justin Ryea is 34 years old and fast. Justin completed the very rough water swim in 26:49, biked 22.4MPH and ran a 39:10 10K. Justin placed 56th of 144 in the 30-34AG.

Donna Smyers was the 2011 Women's 50-54 AG champion. A year later and moving up to the W55-59AG she repeated the win and was additionally awarded the Grand Master (55+) 1st place trophy with a time of 2:24:31. Donna was 1st of 52 women in the 55-59AG.

Keith Woodard placed 8th in a field of 51 men 60-64 in a time of 2:29:08. Keith was also awarded with the fastest men's 55+ run split. Keith ran the 10K in 39:06 which figures to a 6:18 per mile pace

Dot Martin improved upon her 2011, 12th place finish, by two spots and went to the podium this year in 10th place of 87 women in the 50-54AG. Dot ran a sub 7 minute 10K pace and had the 3rd fastest run split in her division. Dot's time was 2:30:45.

I finished in a time of 2:44:46 and was 28th of the 51 men in the 60-64AG. I did not get any stinking awards or qualify for London but I barely can speak English. My consolation was that I was the only one of this group to better my 2011 time. So there!

CVR Treasurer Linda Hallinger competed in the Women's 60-64 AG taking home the 7th place trophy. Linda was 7th of 28 women in her division and competed with limited training having spine surgery just a few short weeks before the race. Linda's time was 2:58:47.

The location of the 2012 National Championship race has yet to be announced. The bar has been set pretty high with respect to organization, venue and race support. John Martin

Inca Trail Marathon

Dot Helling and her sister ran the Inca Trail Marathon on August 23, 2012. This photo is of Dot and Jennifer DeSimone (from Wakefield, Mass) at the finish line at amazing Machupicchu. The field was international and included 30 permitted entrants, of which 28 started and 26 finished. Jen and Dot tied for 12th in 9:15. Just to give you an idea of how difficult this event is, the winner finished in 5:56, a cute guy from Valencia, Spain named Apolo Garcia.

Full results are on the Andes Adventures website, info@andesadventures.com

To get to the start, the runners hiked into a campsite the day before, then hiked about two miles uphill to the start line.

The course included 14,000' Dead Woman's Pass, then a 12,500' pass, plus 5000 stone Inca steps with sheer dropoffs surrounded by 18,000' snow-covered Andean peaks. According to Dot, it was absolutely one of the most gorgeous marathon runs she's ever done with scary adrenalin-rush downhills.

Mt. Tom Road to the Pogue Alert

According to the race site

[http://
www.roadtothepogue.com/](http://www.roadtothepogue.com/)

registration will begin in November for the Mt. Tom Road to the Pogue race.

The race will be held Saturday, May 11, 2013 in Woodstock VT.

The distance is almost 10K (6.1 miles) and it is run entirely on the carriage roads and trails of the Marsh-Billings-Rockefeller National Historic Park, a place which has been described by someone as the "world's best place to run". The race is limited to 500 and will close out fast after registration opens. Mt. Tom overlooks the town of Woodstock and the Pogue is a scenic pond surrounded by forest.

For \$25 you get a t-shirt and all- you- can- eat pancakes after the race. Plus bus transportation to the race start, since it is point to point. And it is a net downhill course.

But don't let that fool you. I ran the race last year. There are two major climbs: at the start and then the climb to Mt. Tom. But you get it all back in the last 1.5 miles with an exhilarating downhill and end up finishing on single track for a few hundred yards. While the race is challenging, it offers great scenery. After the race you can visit the Marsh-Billings-Rockefeller house or the demonstration farm across the road. Plus if you have always wanted to run a trail race, this one is about as forgiving as you can get. Nice trails without roots and rocks and a large portion of the course is on carriage roads. The start is a little chaotic as it is a cross country start in the wood on a carriage road, but the initial hill sorts everyone out quickly.

So for those of you that like to plan ahead, check the site frequently in November for the opening of registration, and you will be glad that you did when May 13 comes.... Andy Shuford

GMAA Green Mountain Marathon and Half Marathon

Green Mountain Marathon (GMM) has a reputation for being a windy race and the October 14th edition did not disappoint. A steady 30mph breeze with gusts up to 50mph would have tattered my tights had I been wearing any. This was one of those days that will be remembered and talked about. Despite the gale forces CVR members persevered and were successful. Here's some results:

Marathon (221 runners)

- Sandy Colvin 3:33:18 3rd/26 W30-39AG
- Charlie Windish 3:58:01 9/27 M50-59AG
- Dot Helling 4:08:55 1st/4 W60-69AG
- Newton Baker 5:10:13 1st/1 M70-79AG

Half Marathon (313 runners)

- John Martin 1:47:31 2/10 M60-69AG
- Jen Miller-Arsenault 1:48:16 6/59 W30-39AG
- Phyllis Arsenault-Berry 1:49:32 1st W 50-59AG
- Linda Hallinger 2:05:05 1st/3 W60-69AG
- (Tim Heney ran 1:44:16 . His name could have been at the top of this list IF he were a member) ... From John Martin

Also noted by Jeff Prescott were Tim Shea, 1st place M40-49 in 2:59:13 and Fred Stapenhorst, 2nd place M60-69 in 3:54:24.

Dave Erickson completed his first ultramarathon, the 50k Run at the Vermont 50. More information in the January newsletter.

Rowly Brucken ran the Adirondack Marathon on September 23 in 3:29:37. He was leading the 3:30:00 pace group. Right on pace. ... JP

thank you to Roger Cranse and the Leaf Peepers Committee

Thanks to **Roger Cranse** and his race committee for organizing this great event. And thanks to the many club members who served as volunteers. As is their custom, Roger and his committee will be meeting soon to review the event and begin planning for next year. If you have constructive feedback, please e-mail Roger at rcc59@comcast.net. I encourage you to share feedback even if you found everything to be wonderful. It's good for the committee to hear a broad cross-section of experiences rather than hearing from only a very vocal few... if you know what I mean. If you prefer to submit anonymous feedback, you can send it to me; I'll sanitize it and send it on to Roger.

Finally, a farewell tip of the hat to **Sigh Searles** who is retiring after many years as course coordinator. Sigh's shoes are so big...(how big are they?)...Sigh's shoes are so big that he is being replaced by two people. Thanks to **Jon Floyd** and **Andy Shuford** for stepping up to fill the clown shoes. Sigh plans to spend his new-found leisure time reading Homer. The blind poet. Not the Simpsons. (Yes, I did confirm that.)
