

2nd Annual Mutt Strutt

April 26, 1998 Waterbury, VT

For the second year in a row we had great weather for the Mutt Strutt. There was a bit of a headwind on the home stretch, here it helped to have a larger dog to draft behind. Joe McNamara and Dillon had the fastest time of the day and a new record for the 3-mile course in 16:59. An exciting finish in the women's race saw Dot Martin and Kona squeak by Caitlin Compton and Clover in an all-out sprint to the finish to win in 19:51. Caitlin and Clover were second in 19:54 but retain the course record for women (19:20). Last year's men's winner Tim Noonan and Gus finished in the middle of a 4-way contest for second place. This year we had several younger contestants. Ruth Lazenby (Belle) and Chelsea Welsh (T.C.) were the youngest at 9 years old.

We appreciate the great support from our sponsors: Ide's Feed Store, Onion River Animal Hospital, House Mouse Designs, and KC's Bagel Cafe. The Vermont Department of Forests, Parks, and Recreation kindly waived the permit fee for use of the park. Because of the generosity of these parties, most of the race entry fees went directly to support the Central Vermont Humane Society. Thanks also to Eric Ryea, Nance Smith, Laura Medalie, Norm Robinson, Richard Cleveland, and Kim Kendall for volunteer help on race day. See you again next year!
